Dr. Walter E. Boveri

Dear Dr. Boveri:

Thank you so much for your kind letter of October 17th regarding my appointment to the CIA. Your congratulations are very much appreciated and while I face my new responsibilities with some trepidation, I intend to do all I can to justify the confidence the President has placed in me.

Thank you also for enclosing your paper on the present political situation. I am leaving on a trip tomorrow and taking your paper with me and look forward to a chance to read it.

When and if you get to Washington, I do hope that you will give me a call.

Yours sincerely,
